**Report on Institutions Measures for Promotion of Gender Equity**

Although a co-educational institution the representation of girls student is relatively higher in the institution. The institution is committed towards promotion of gender equity. Safety and security of the student is the prime concern of the institution. For this boundary wall is erected around the campus to restrict unauthorized entry inside campus. Main entry points, classroom and girls hostel come under surveillance of CCTV Camera. Again there is presence of watchman in the campus round the clock. Anti ragging cell and grievance and redressal cells are constituted to resolve the grievances of the students. The College has a girls common well equipped with toilet, drinking water and sanitary napkin incinerator machine. The College has a girls hostel with all facilities for 26 boarders. Students induction programme is organized for 1<sup>st</sup> semester students in the beginning of the session where students were sensitized on various aspects including gender equity. Girl students were enrolled in NCC and NSS unit of the college so that girls students can get exposure to extension activities.
